4. NOAH PROPERTIES BUILDING PERMIT PARTIAL WAIVER REQUEST

Noah Properties is requesting a partial waiver for the permit fees related to the 72 unit apartment complex on Irving Park Road. The “total project permit fee” is \$383,092.78 (for all six residential structures and the parking garage). In the past, the Village Board has provided relief for other high-density buildouts in the Town Center. This particular request is in line with the prior fee waiver requests that have been approved. Staff is recommending that we have the developer pay the impact fees for all 72 units **upon occupancy** (\$177,158.16). Staff is also recommending that Noah Properties pay the costs incurred for plan review, inspection fees (necessary to cover contractual), water meters, fire protection district disconnect fees and construction water costs **for all units** with the full release of the building permit (\$91,547.94). These fees represent the dollars that the Village must pay out for third party contractual services, payment to the fire protection district, purchase of water meters, and use of construction water. Thus, consideration to waive \$114,386.68.

Staff was directed to proceed as recommended.
